

HOW STUDENTS TAKE TESTS

<p>Students log into their account.</p>	
<p>Students select their teacher. Next, they select the test they will take. In this example, the student selects the teacher 1-Bartl, then selects the test entitled LA Sample.</p>	
<ul style="list-style-type: none"> • A test window opens. • Students will click on Begin test now 	
<ul style="list-style-type: none"> • Students answers the question. • Next, students select Check my answer button (shown by red arrow) 	
<ul style="list-style-type: none"> • In this example, if the student answers correctly, a green check mark will appear by the answer. • Student selects the triangle (shown by blue arrow) to to go next question. 	
<ul style="list-style-type: none"> • If a student answers incorrectly, a red X will appear by the answer. • Student selects the triangle (shown by blue arrow) to to go next question. 	

HOW STUDENTS TAKE TESTS

<p>When the student finishes the last question, he will select End test</p>	
<p>A popup dialog box will indicate whether or not the student has answered all questions.</p>	
<p>If there are unanswered questions, the student may go back to answer them or he may choose to End test anyway.</p> <p>Encourage students to answer all questions.</p>	
<p>After the student ends a test, a popup dialog box will indicate his score. In this example, the student received 8 out of 9.</p> <p>Student will click on Done.</p>	
<p>When finished, students may logout of UTIPS.</p> <p>Student will click on Log Out located in upper righthand corner of the screen.</p>
